

ADDENDUM NO. 3

NAME: Request for Proposals for Concession Services - RFP No. TNH 106-2014

DATE: May 8, 2014

TO: All Prospective Proposers

This amendment is being issued in response to questions asked of the Town in regard to the RFP:

- 1. Q. Is there internet or WiFi at the concessions with which I may offer credit card services, and if not would it be ok if I had ATM machines installed at each location?**

A. There is WiFi access at all three of the concession locations. The Town will allow the vendor to offer payment by credit card. However, the Town's involvement in this offer will only be to the extent of providing the internet connection. The Town will not be responsible for showing that the service has satisfactory security protocols in place (i.e. PCI-compliant) and the vendor would have to indemnify the Town against any claims that may be brought against the Town relating to the vendor's acceptance of credit cards.

At present, the Town will not permit ATM's to be installed at the locations.

- 2. Q. Would I be doing the catering for the VIP area and the employees on the May 24th fireworks night?**

A. Catering would be required for employees. However, there is no VIP area.

- 3. Q. If I get the bid would I be able to set up a couple of tents around the promenade?**

A. Tents can be set up for specific events with the consent of the Commissioner of Parks.
